

Dear friends, April 28

You were all a
blessing to Phyllis
and because of
your care and
attention, my rate
was so much
easier. She was

happy and content
with you and I'm
so sure you each
have your own special
tales with her. I'm
happy she's with her Jesus
but there is a big void
in my daily schedule.

Love and hugs to all
Judy Gehman Yerkes
